Introduction to the Primary Industries Curriculum Framework

The Primary Industries Curriculum Framework and Certificate II in Horticulture

Status of units of competency for the Primary Industries HSC courses and Certificate II in Horticulture

Minimum requirements for Certificate II in Horticulture (AHC20410)

Primary Industries – Certificate II in Horticulture (AHC20410)

The Primary Industries Curriculum Framework includes the following documentation:

- the syllabus
- associated documents
- support materials.

All of the Framework documentation is available on the Board’s website at http://www.boardofstudies.nsw.edu.au/syllabus_hsc/primary-industries.html.

This document, *Primary Industries – Certificate II in Horticulture (AHC20410)*, should be read in conjunction with the [Primary Industries Curriculum Framework Stage 6 Syllabus](#).

Introduction to the Primary Industries Curriculum Framework

The Primary Industries Curriculum Framework is a Board Developed HSC syllabus based on the national *Agriculture, Horticulture and Conservation and Land Management Training Package (AHC10)* and includes a pathway to *Certificate II in Horticulture (AHC20410)*.

The Primary Industries Curriculum Framework contains the following HSC VET courses (detailed in [Section 2 of the Syllabus](#)):

- Primary Industries (120 indicative hours)
- Primary Industries (240 indicative hours)
- Primary Industries Specialisation Study (60 or 120 or 180 or 240 indicative hours).

HSC VET courses are dual accredited. Students can gain credit towards:

- the NSW Higher School Certificate (HSC)
- an AQF VET qualification – eg Certificate II in Horticulture.

As a result of the dual accreditation, HSC VET courses are governed by two sets of rules:

- HSC unit credit requirements determined by:
 - HSC course requirements (detailed in [Section 2 of the Syllabus](#))
 - the requirements for satisfactory course completion – outlined in the Board of Studies [Assessment, Certification and Examination \(ACE\) Manual](#)
- AQF VET qualification requirements specified in:
 - the qualification packaging rules for Certificate II in Horticulture – defined in the AHC10 Training Package (detailed on pp 17–21 of this document)
 - RTO policies.

It is important to note that the rules and structure of HSC VET courses are not identical to the qualification packaging rules.

HSC VET courses can only be delivered by a Registered Training Organisation (RTO) who must:

- deliver the HSC VET course in accordance with Board of Studies' requirements
- meet the requirements of the VET Quality Framework [formerly referred to as the Australian Quality Training Framework (AQTF)]
- meet the Training Package requirements.

The Primary Industries Curriculum Framework and Certificate II in Horticulture

The AHC10 Training Package qualification packaging rules for *Certificate II in Horticulture (AHC20410)* requires the achievement of:

- 2 core units of competency
- plus 13 elective units of competency.

(Refer to pp 17–21 of this document for further detail.)

To achieve *Certificate II in Horticulture (AHC20410)* as a part of the HSC, students will generally complete the following HSC VET course from the Primary Industries Curriculum Framework:

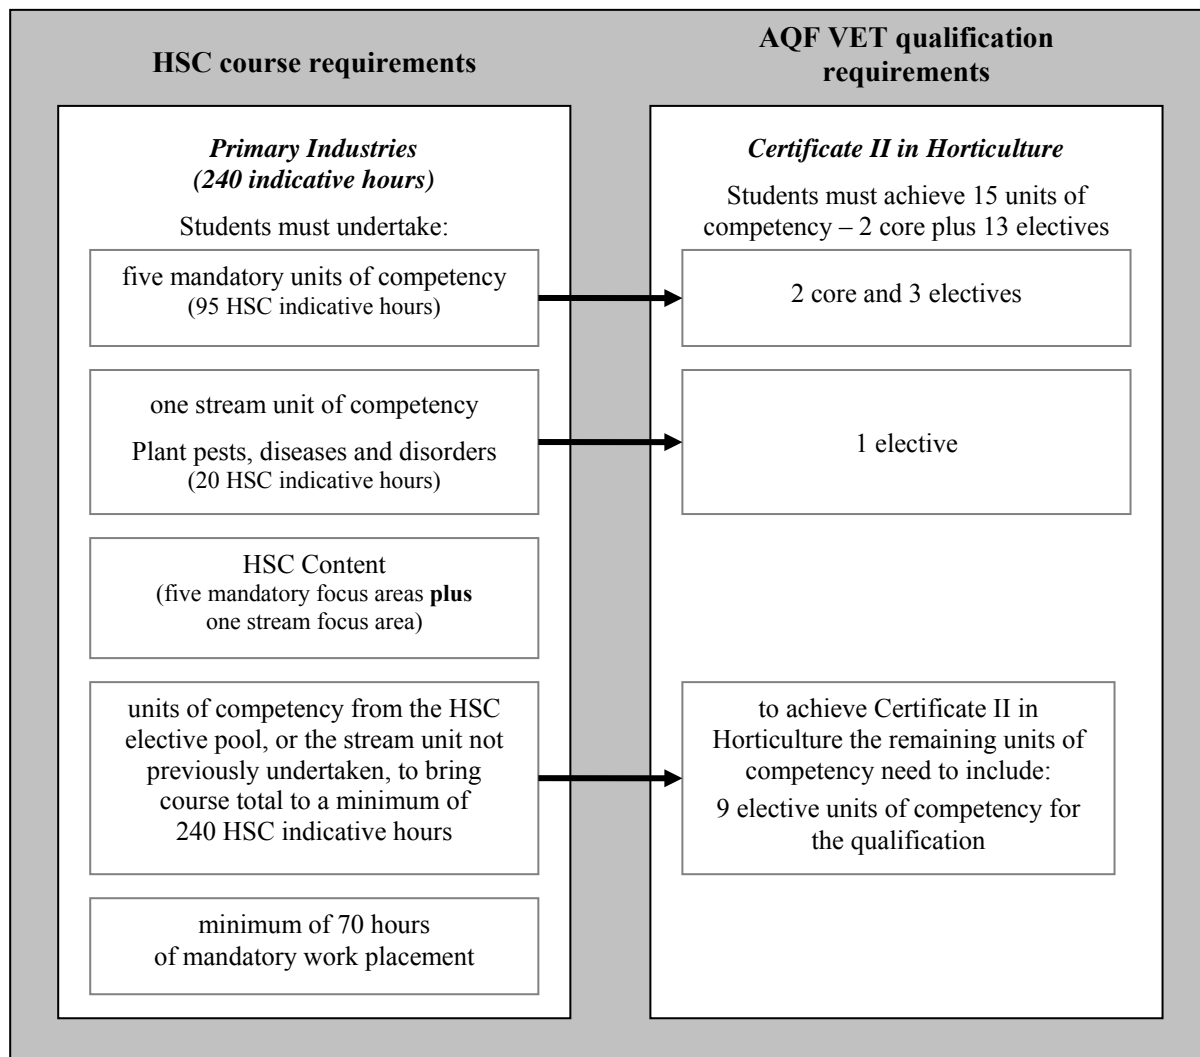

- Primary Industries (240 indicative hours) – 4 HSC credit units.

To be eligible for the award of the HSC students must satisfactorily complete a pattern of study that includes 22 HSC credit units (refer to the [Assessment, Certification and Examination \(ACE\) Manual](#) for further detail).

Students undertaking *Certificate II in Horticulture (AHC20410)* through the Primary Industries (240 indicative hours) course will be eligible for 4 HSC credit units towards the 22 HSC credit units required for the award of their HSC.

Primary Industries HSC course requirements for Certificate II in Horticulture

Refer to pp 9–16 of this document and [Section 2 of the Syllabus](#) for further detail.

Work placement

Work placement is a mandatory HSC VET course requirement with minimum hours assigned to each HSC VET course. Non-completion of work placement means the student has not met the HSC VET course requirements and cannot count the HSC credit units for the course towards the award of their HSC. They would still be credentialled for the AQF VET qualification outcome.

The minimum work placement requirement for students undertaking *Certificate II in Horticulture (AHC20410)* is:

- Primary Industries (240 indicative hours) – 70 hours.

Work placement is to be undertaken in an appropriate primary industries work environment.

Refer to the [Work Placement in Primary Industries](#) document for industry-specific advice regarding work placement in primary industries.

HSC Content

The HSC Content for this Framework is organised into focus areas. Each focus area prescribes the scope of learning for the HSC. This is drawn from the associated units of competency (outlined in Table 1 below).

Students undertaking the Primary Industries (240 indicative hours) course must address:

- all of the mandatory focus areas:
 - Chemicals
 - Safety
 - Sustainability
 - Weather
 - Working in the industry
- one stream focus area:
 - Livestock health and welfare

or

 - Plant pests, diseases and disorders.

The content description for each focus area is detailed in [Section 3 of the Syllabus](#).

The HSC examination in Primary Industries is based on the HSC Content and employability skills for the Certificate II qualifications in this Framework ([refer to Section 4 of the Syllabus](#)).

Table 1 Focus areas and associated units of competency for Certificate II in Horticulture (AHC20410)

	Associated units of competency	
Focus area	Unit code	Unit title
Mandatory		
Chemicals	AHCCHM201A	Apply chemicals under supervision
Safety	AHCOHS201A	Participate in OHS processes
Sustainability	AHCWRK209A	Participate in environmentally sustainable work practices
Weather	AHCWRK201A	Observe and report on weather
Working in the industry	AHCWRK204A	Work effectively in the industry
Stream		
Plant pests, diseases and disorders	AHCPMG202A	Treat plant pests, diseases and disorders

HSC examination

The Primary Industries Curriculum Framework includes an HSC examination which provides the opportunity for students to have their HSC mark contribute to the calculation of their Australian Tertiary Admission Rank (ATAR).

Students who have completed the Primary Industries (240 indicative hours) course are eligible to sit for the Primary Industries HSC examination.

Students who want to sit for the Primary Industries HSC examination must be entered for both the Primary Industries course and the Primary Industries examination on *Schools Online (Administration)*.

The Primary Industries HSC examination is based on the HSC Content (refer to [Section 3 of the Syllabus](#)) and employability skills for the Certificate II qualifications in this Framework (refer to p 21 of this document and the [Employability Skills in Primary Industries](#) document).

The Primary Industries HSC examination is a written exam independent of the competency-based assessment undertaken during the course and has no impact on student eligibility for the *Certificate II in Horticulture (AHC20410)*.

HSC examination specifications

The HSC examination specifications, which describe the format of the Primary Industries HSC examination, are contained in the [Assessment and Reporting in Primary Industries Stage 6](#) document.

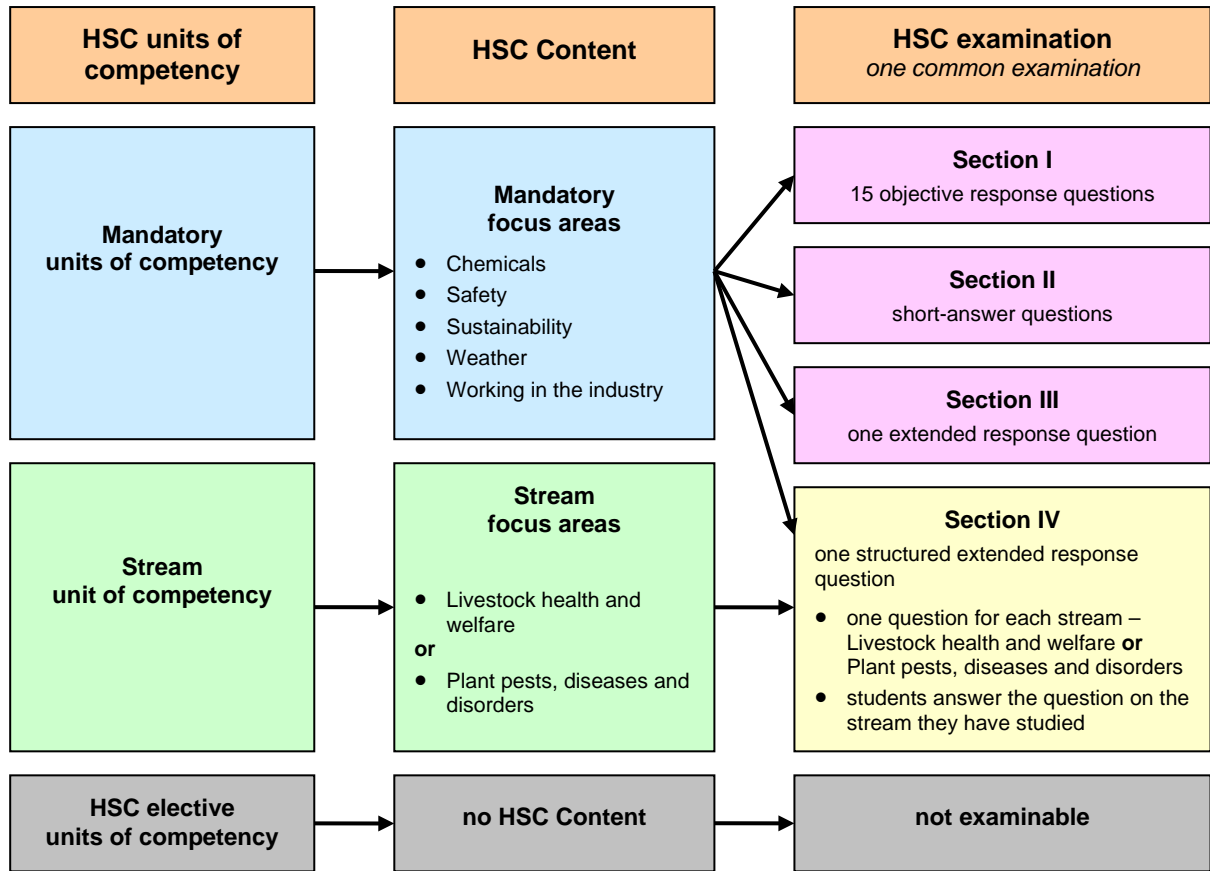

The Primary Industries HSC examination will consist of a 2-hour written paper. The paper will consist of four sections:

- Section I – objective response questions to the value of 15 marks
- Section II – short-answer questions to the value of 35 marks
- Section III – one extended response question to the value of 15 marks
- Section IV – two structured extended response questions (one for each of the stream focus areas: Livestock health and welfare or Plant pests, diseases and disorders) each to the value of 15 marks. Candidates will be required to answer the question on the stream they have studied.

The Primary Industries HSC examination is based on the HSC Content (focus areas) and employability skills for the Certificate II qualifications:

- Sections I, II and III are based on the mandatory focus areas
- Section IV is based on the stream focus areas and can also draw from the mandatory focus areas.

Relationship of the Primary Industries (240 indicative hours) course structure to the Primary Industries HSC examination

Status of units of competency for the Primary Industries HSC courses and Certificate II in Horticulture

To achieve *Certificate II in Horticulture (AHC20410)* the AHC10 Training Package requires students to achieve 15 units of competency:

- 2 core units of competency
- 13 elective units of competency.

To achieve *Certificate II in Horticulture (AHC20410)* as a part of the HSC, students will generally do the HSC VET Primary Industries (240 indicative hours) course.

To meet HSC course requirements, students completing the Primary Industries (240 indicative hours) course must undertake **five mandatory units of competency** and **one stream unit of competency** (2 core and 4 electives for Certificate II in Horticulture) plus a minimum of 125 HSC indicative hours of HSC elective units of competency.

Status in Primary Industries Curriculum Framework	HSC indicative hours	Unit code	Unit title	Certificate II in Horticulture 2 core & 13 electives ▪ min 3 group A electives ▪ min 7 group A &/or B electives ▪ max 3 'other' electives
mandatory	20	AHCCHM201A	Apply chemicals under supervision	elective – group B
mandatory	20	AHCOHS201A	Participate in OHS processes	core
mandatory	15	AHCWRK201A	Observe and report on weather	other elective
mandatory	20	AHCWRK204A	Work effectively in the industry	elective – group B
mandatory	20	AHCWRK209A	Participate in environmentally sustainable work practices	core
Plant pests, diseases and disorders stream	20	AHCPMG202A	Treat plant pests, diseases and disorders	elective – group B
sub-total HSC indicative hours – mandatory and stream units of competency	115			

Primary Industries Curriculum Framework – Certificate II in Horticulture

For the HSC students must undertake a further **125 HSC indicative hours** of units of competency to meet the requirements of the Primary Industries (240 indicative hours) course.

To achieve *Certificate II in Horticulture (AHC20410)*, these need to include **9 units of competency** that are elective for the qualification.

Status in Primary Industries Curriculum Framework	HSC indicative hours	Unit code	Unit title	Certificate II in Horticulture <i>2 core & 13 electives</i> ▪ <i>min 3 group A electives</i> ▪ <i>min 7 group A &/or B electives</i> ▪ <i>max 3 'other' electives</i>
elective	30	AHCAGB301A	Keep records for a primary production business	other elective
elective	10	AHCBIO201A	Inspect and clean machinery for plant, animal and soil material	other elective
elective	15	AHCBIO202A	Follow site quarantine procedures	other elective
elective	15	AHCBAC201A	Assist agricultural crop establishment	other elective
elective	15	AHCBAC202A	Assist agricultural crop maintenance	other elective
elective	15	AHCBAC203A	Assist agricultural crop harvesting	other elective
elective	20	AHCBAC301A	Conserve forage	other elective
elective	25	AHCBAC302A	Establish pastures and crops for livestock production	other elective
elective	20	AHCBAC305A	Undertake preparation of land for agricultural crop production	other elective
elective	25	AHCBAC306A	Establish agricultural crops	other elective
elective	20	AHCBAC307A	Maintain agricultural crops	other elective
elective	20	AHCBAC308A	Undertake agricultural crop harvesting activities	other elective
elective	15	AHCBUS301A	Use hand held e-business tools	other elective
elective	15	AHCCHM304A	Transport, handle and store chemicals	other elective
elective	20	AHCDRY201A	Milk livestock	other elective
elective	15	AHCDRG201A	Maintain drainage systems	other elective
elective	30	AHCDRG301A	Install drainage systems	other elective
elective	15	AHCFAU201A	Recognise fauna	other elective

Primary Industries Curriculum Framework – Certificate II in Horticulture

Status in Primary Industries Curriculum Framework	HSC indicative hours	Unit code	Unit title	Certificate II in Horticulture 2 core & 13 electives ▪ min 3 group A electives ▪ min 7 group A &/or B electives ▪ max 3 'other' electives
elective	15	HLTFA201A	Provide basic emergency life support	other elective
elective	20	HLTFA301B	Apply first aid	other elective
elective	20	AHCHBR201A	Monitor horse health and welfare	other elective
elective	25	AHCHBR202A	Handle young horses	other elective
elective	30	AHCHBR203A	Provide daily care for horses	other elective
elective	25	AHCHBR204A	Assist with mating procedures and parturition of horses	other elective
elective	15	AHCHBR302A	Carry out basic hoof care procedures	other elective
elective	30	AHCHBR304A	Educate, ride and care for horses and equipment	other elective
elective	25	AHCHBR306A	Prevent and treat equine injury and disease	other elective
elective	20	AHCHBR307A	Assess suitability of horses for stock work	other elective
elective	15	AHCILM201A	Maintain cultural places	other elective
elective	15	AHCILM202A	Observe and report plants and/or animals	other elective
elective	25	AHCILM203A	Record information about country	other elective
elective	30	AHCILM304A	Follow cultural protocols	other elective
elective	15	AHCINF201A	Carry out basic electric fencing operations	other elective
elective	15	AHCINF202A	Install, maintain and repair fencing	other elective
elective	20	AHCINF203A	Maintain properties and structures	elective – group B
elective	25	AHCINF302A	Plan and construct an electric fence	other elective
elective	20	AHCINF303A	Plan and construct conventional fencing	other elective
elective	20	AHCIRG201A	Assist with the operation of gravity fed irrigation	other elective
elective	20	AHCIRG202A	Assist with the operation of pressurised irrigation	elective – group B
elective	15	AHCIRG204A	Lay irrigation and/or drainage pipes	elective – group B

Primary Industries Curriculum Framework – Certificate II in Horticulture

Status in Primary Industries Curriculum Framework	HSC indicative hours	Unit code	Unit title	Certificate II in Horticulture 2 core & 13 electives ▪ min 3 group A electives ▪ min 7 group A &/or B electives ▪ max 3 'other' electives
elective	15	AHCIRG206A	Maintain pressurised irrigation systems	elective – group B
elective	30	AHCIRG302A	Install irrigation systems	other elective
elective	15	AHCIRG305A	Operate pressurised irrigation systems	other elective
elective	15	AHCLSC201A	Assist with landscape construction work	elective – group A
elective	20	AHCLSC202A	Construct low-profile timber or modular retaining walls	elective – group A
elective	20	AHCLSC203A	Install aggregate paths	elective – group A
elective	25	AHCLSC204A	Lay paving	elective – group A
elective	10	AHCLSC205A	Install tree protection devices	elective – group A
elective	35	AHCLSC301A	Set out site for construction works	other elective
elective	35	AHCLSC304A	Erect timber structures and features	other elective
elective	35	AHCLSC306A	Implement a paving project	other elective
elective	35	AHCLSC307A	Implement a retaining wall project	other elective
elective	15	AHCLSK201A	Assist with feeding in a production system	other elective
elective	15	AHCLSK203A	Carry out birthing duties	other elective
elective	10	AHCLSK204A	Carry out regular livestock observation	other elective
elective	15	AHCLSK205A	Handle livestock using basic techniques	other elective
elective	15	AHCLSK206A	Identify and mark livestock	other elective
elective	10	AHCLSK207A	Load and unload livestock	other elective
elective	15	AHCLSK208A	Monitor livestock to parturition	other elective
elective	10	AHCLSK209A	Monitor water supplies	other elective
elective	10	AHCLSK210A	Muster and move livestock	other elective
elective	15	AHCLSK211A	Provide feed for livestock	other elective

Primary Industries Curriculum Framework – Certificate II in Horticulture

Status in Primary Industries Curriculum Framework	HSC indicative hours	Unit code	Unit title	Certificate II in Horticulture 2 core & 13 electives ▪ min 3 group A electives ▪ min 7 group A &/or B electives ▪ max 3 'other' electives
elective	25	AHCLSK212A	Ride horses to carry out stock work	other elective
elective	15	AHCLSK301A	Administer medication to livestock	other elective
elective	15	AHCLSK303A	Carry out feedlot operations	other elective
elective	15	AHCLSK305A	Maintain livestock water supplies	other elective
elective	20	AHCLSK308A	Identify and draft livestock	other elective
elective	20	AHCLSK310A	Implement feeding plans for intensive production	other elective
elective	20	AHCLSK311A	Implement feeding plans for livestock	other elective
elective	25	AHCLSK312A	Coordinate artificial insemination and fertility management of livestock	other elective
elective	20	AHCLSK313A	Monitor livestock production growing environments	other elective
elective	20	AHCLSK314A	Prepare animals for parturition	other elective
elective	15	AHCLSK316A	Prepare livestock for competition	other elective
elective	20	AHCLSK317A	Plan to exhibit livestock	other elective
elective	25	AHCLSK318A	Rear newborn and young livestock	other elective
elective	15	AHCLSK323A	Maintain and monitor feed stocks	other elective
elective	20	AHCLSK324A	Care for and train working dogs	other elective
elective	20	AHCLSK329A	Implement procedures for calving	other elective
elective	20	AHCLSK331A	Comply with industry animal welfare requirements	other elective
elective	15	AHCMOM201A	Operate two wheel motorbikes	other elective
elective	20	AHCMOM202A	Operate tractors	elective – group B
elective	15	AHCMOM203A	Operate basic machinery and equipment	elective – group B
elective	25	AHCMOM204A	Undertake operational maintenance of machinery	elective – group B
elective	15	AHCMOM212A	Operate quad bikes	elective – group B

Primary Industries Curriculum Framework – Certificate II in Horticulture

Status in Primary Industries Curriculum Framework	HSC indicative hours	Unit code	Unit title	Certificate II in Horticulture 2 core & 13 electives ▪ min 3 group A electives ▪ min 7 group A &/or B electives ▪ max 3 'other' electives
elective	25	AHCMOM302A	Perform machinery maintenance	other elective
elective	20	AHCMOM304A	Operate machinery and equipment	other elective
elective	20	AHCMOM305A	Operate specialised machinery and equipment	other elective
elective	20	AHCMOM306A	Ground spread fertiliser and soil ameliorant	other elective
elective	15	AHCMOM308A	Operate broadacre and row crop harvest machinery and equipment	other elective
elective	15	AHCMOM309A	Operate broadacre sowing machinery and equipment	other elective
elective	15	AHCMOM311A	Operate precision control technology	other elective
elective	15	AHCMOM312A	Operate row crop planting and seeding machinery and equipment	other elective
elective	20	SIRXCCS001A	Apply point-of-sale handling procedures	elective – group B
elective	20	SIRXICT001A	Operate retail technology	elective – group B
elective	15	SIRXSLS001A	Sell products and services	elective – group B
elective	25	AHCNAR201A	Carry out natural area restoration works	other elective
elective	20	AHCNAR202A	Maintain wildlife habitat refuges	other elective
elective	20	FPIFGM2201A	Collect seed	other elective
elective	10	AHCNSY201A	Pot up plants	elective – group A
elective	15	AHCNSY202A	Tend nursery plants	elective – group A
elective	20	AHCNSY203A	Undertake propagation activities	elective – group A
elective	15	AHCNSY204A	Maintain indoor plants	elective – group A
elective	25	AHCNSY301A	Maintain nursery plants	other elective
elective	15	AHCNSY302A	Receive and dispatch nursery products	other elective
elective	25	AHCNSY303A	Install and maintain plant displays	other elective
elective	15	AHCPGD201A	Plant trees and shrubs	elective – group A

elective	20	CPPDSM4068A	Prepare livestock for sale at saleyards	other elective

Minimum requirements for Certificate II in Horticulture (AHC20410)

The following pages outline the qualification packaging rules for the AQF VET qualification AHC20410. This information is reproduced directly from the *Agriculture, Horticulture and Conservation and Land Management Training Package (AHC10)*. It is included so that the minimum requirements for achieving the industry qualification are clear. Students who meet these requirements will be eligible for the relevant AQF VET Certificate, whether or not they have met the additional requirements of the HSC course.

A Statement of Attainment will be issued for achievement of single or multiple units of competency. At a later date, a person can undertake further skill development or training and be assessed against additional competencies until they have achieved all the competencies required for an AQF VET qualification. RTOs must recognise and give credit for the competencies recorded on a Statement of Attainment.

Please note: Only the shaded units of competency are available in the Primary Industries Curriculum Framework. HSC course requirements are outlined in [Section 2 of the Syllabus](#).

AHC20410 Certificate II in Horticulture

Description

This qualification underpins a range of work functions and job roles that can lead to a horticultural trade qualification.

Pathways information

Qualification pathways

Pathways into the qualification

This qualification may be accessed by direct entry.

Pathways from the qualification

Further training pathways from this qualification include any of the specialist qualifications at Certificate III.

Licensing considerations

There are no specific licences that relate to this qualification.

Job roles

Job roles and titles vary across different industry sectors. Possible job titles relevant to this qualification include:

- horticulture worker
- horticulture assistant

Licensing/Regulatory information

Refer to Pathways information.

Entry requirements

There are no entry requirements for this qualification.

Packaging rules

Completion of fifteen (15) units made up of two (2) core units and thirteen (13) elective units.

Elective units

- a minimum of three (3) units must come from elective group A
- a minimum of seven (7) units must come from elective groups A or B
- a maximum of three (3) units may be selected from units aligned to Certificates II or III in AHC10 or from any other currently endorsed Training Package or accredited course. Selected units must meet job outcomes relevant to horticulture.

Core units

Occupational health and safety

AHCOHS201A	Participate in OHS processes
------------	------------------------------

Work

AHCWRK209A	Participate in environmentally sustainable work practices
------------	---

Elective Group A

Plants

AHCPCM201A	Recognise plants
AHCPCM202A	Collect, prepare and preserve plant specimens

Arboriculture

AHCARB201A	Apply a range of treatments to trees
AHCARB202A	Fell small trees
AHCARB203A	Perform above ground pruning
AHCARB204A	Undertake standard climbing techniques
AHCARB205A	Operate and maintain chainsaws
AHCARB206A	Undertake stump removal
FPICOT2221B	Trim and cross cut felled trees
FPIFGM2208A	Fall trees manually (basic)
FPIFGM3204A	Fall trees manually (intermediate)
FPIHAR2206A	Operate a mobile chipper/mulcher

Landscape

AHCLSC201A	Assist with landscape construction work
AHCLSC202A	Construct low-profile timber or modular retaining walls
AHCLSC203A	Install aggregate paths
AHCLSC204A	Lay paving
AHCLSC205A	Install tree protection devices

Nursery

AHCNSY201A	Pot up plants
AHCNSY202A	Tend nursery plants
AHCNSY203A	Undertake propagation activities
AHCNSY204A	Maintain indoor plants

Parks and gardens

AHCPGD201A	Plant trees and shrubs
AHCPGD202A	Prepare and maintain plant displays
AHCPGD203A	Prune shrubs and small trees
AHCPGD204A	Transplant small trees
AHCPGD205A	Prepare a grave site
AHCPGD206A	Conduct visual inspection of park facilities

Turf

AHCTRF201A	Assist with turf construction
AHCTRF202A	Prepare turf surfaces for play
AHCTRF203A	Renovate grassed areas
AHCTRF204A	Support turf establishment

Elective Group B

Chemicals

AHCCHM201A	Apply chemicals under supervision
------------	-----------------------------------

Infrastructure

AHCINF203A	Maintain properties and structures
AHCINF204A	Fabricate and repair metal or plastic structures

Irrigation

AHCIRG202A	Assist with the operation of pressurised irrigation
AHCIRG203A	Install micro-irrigation systems
AHCIRG204A	Lay irrigation and/or drainage pipes
AHCIRG206A	Maintain pressurised irrigation systems

Machinery operation and maintenance

AHCMOM202A	Operate tractors
AHCMOM203A	Operate basic machinery and equipment
AHCMOM204A	Undertake operational maintenance of machinery
AHCMOM205A	Operate vehicles
AHCMOM211A	Operate side by side utility vehicles
AHCMOM212A	Operate quad bikes

Merchandising and sales

SIRXADM001A	Apply retail office procedures
SIRXCCS001A	Apply point-of-sale handling procedures
SIRXCCS002A	Interact with customers
SIRXCLM001A	Organise and maintain work areas
SIRXFIN001A	Balance point-of-sale terminal
SIRXFIN002A	Perform retail finance duties
SIRXINV002A	Maintain and order stock
SIRXICT001A	Operate retail technology
SIRXMER001A	Merchandise products
SIRXSLS001A	Sell products and services
SIRXSLS002A	Advise on products and services

Pest management

AHCPMG201A	Treat weeds
AHCPMG202A	Treat plant pests, diseases and disorders

Soils and media

AHCSOL201A	Determine basic properties of soil and/or growing media
------------	---

Tools and equipment

MEM18001C	Use hand tools
MEM18002B	Use power tools/hand held operations

Work

AHCWRK204A	Work effectively in the industry
AHCWRK205A	Participate in workplace communications
AHCWRK206A	Observe enterprise quality assurance procedures
AHCWRK207A	Collect and record production data
AHCWRK208A	Provide information on products and services
TLID107C	Shift materials safely using manual handling methods

Employability Skills Qualification Summary

Employability Skill	Industry/enterprise requirements for this qualification include:
Communication	<ul style="list-style-type: none">• Listening and understanding• Speaking clearly and directly• Reading and interpreting workplace related documentation
