## Support the sale of pharmacy and pharmacist-only medicines

### Unit code
SIRPPKS001A

### Competency field
Community Pharmacy Product

### Sector
Community Pharmacy

### HSC Indicative Hours
20

### Unit descriptor
This unit covers skills and knowledge required to support the sale of pharmacy and pharmacist-only medicines (S2 and S3).

### Prerequisite units
Nil

### Application of the unit
This unit may apply to both front of store and dispensary work roles and is carried out under direction of a pharmacist. There are some minor differences in state and territory regulations relating to the sale of these items.

### Employability Skills
The required outcomes described in this unit contain applicable facets of Employability Skills. The Employability Skills Summary of the qualification in which this unit is packaged will assist in identifying Employability Skill requirements.

### Evidence Guide

The evidence guide provides advice on assessment and must be read in conjunction with the performance criteria, required skills and knowledge, the range statement and the Assessment Guidelines for this Training Package.
